

Carbon Monoxide Meter

HTC – CO-1

Features:

- High accuracy CO sensor, Fast response and stable readings
- Measurement range: 0 ~ 1000 PPM
- Sensor: Stabilized electro-chemical Gas-specific
- Large LCD display
- Compact, light and easy to carry
- Low battery consumption, long battery life.

Technical Data :

Basic Function	Range
Operating Temperature	-20~50°C;
Operating Humidity	15% ~90%RH
Measurement Range	0 ~ 1000 PPM
Accuracy	5%±10PPM
Response Time	< 30S
Auto Power off	after 15 minutes of inactivity
Sensor Type	Stabilized electro-chemical Gas-specific

- Standard Accessories : Manual, 9 Volt Battery
- Dimension : 171(H) * 55(W) * 38(D) mm
